

# Extraordinary

Safa Lohrasbi  
Osteopathic Medical Student Class of 2013

## Yakima Valley inspired...

"Having grown up in Yakima, I know first-hand how PNWU can inspire youth to reach their full potential. So many of our Valley's youth are capable of following in my footsteps."

Including establishing a mentoring program at Eagle Alternative School in Toppenish, Safa involves himself in organizing healthy living educational programs in the Yakima valley.

Pacific Northwest University of Health Sciences  
**College of Osteopathic Medicine**

*Exceptional Education. Extraordinary Impact.*
