

| <b>Class of 2012<br/>Courses</b>       | <b>Course Number</b> | <b>Credits</b> |
|--|----------------------|----------------|
| Gross & Developmental Anatomy          | ANAT 501, 502        | 17             |
| Neuroscience                           | ANAT 503             | 6              |
| Medical Biochemistry & Genetics        | BCHM 501, 502        | 9              |
| Clinical Skills                        | CLIN 501, 502        | 10             |
| Community & Behavioral Medicine I      | CLIN 505, 506        | 10             |
| Current Issues                         | CLIN 507, 508        | 2              |
| Medical Ethics                         | CLIN 511             | 1.5            |
| Spanish for Medical Professionals      | CLIN 514             | 1.5            |
| Electrocardiography                    | CLIN 516             | 2.5            |
| Medical Immunology                     | MICRO 501            | 1.5            |
| Microbiology                           | MICRO 502            | 3              |
| Osteopathic Philosophy & Practice I    | OPP 501, 502         | 10             |
| Cell Biology & Microanatomy            | PATH 501             | 4.5            |
| Fundamentals of Pathology              | PATH599              | 3              |
| Fundamentals of Pharmacology           | PHARM 599            | 4              |
| Medical Physiology                     | PHYS 501, 502        | 10             |
| <b>Total 1st year credits</b>          |                      | <b>95.5</b>    |
| Ophthalmology                          | CLIN 503             | 1              |
| Clinical Skills                        | CLIN 601, 602        | 10             |
| Women's Health                         | CLIN 603             | 11             |
| Community & Behavioral Medicine II     | CLIN 605, 606        | 10             |
| Cardiovascular System                  | CLIN 614             | 9.5            |
| Respiratory System                     | CLIN 615             | 8.5            |
| Renal System                           | CLIN 616             | 8              |
| Behavioral Medicine                    | CLIN 618             | 6.5            |
| Primary Care Clinical Experience       | CLIN 619             | 4              |
| HIV/AIDS                               | CLIN 622             | 1              |
| BLS/ACLS                               | CLIN 623             | 1              |
| Hematology/Oncology                    | CLIN 625             | 8              |
| Gastrointestinal System                | CLIN 627             | 7              |
| Neurology System                       | CLIN 628             | 9              |
| Endocrine System                       | CLIN 629             | 5              |
| Musculoskeletal & Integumentary System | CLIN 630             | 7              |
| Osteopathic Principles & Practice II   | OPP 601, 602         | 10             |
| <b>Total 2nd year credits</b>          |                      | <b>116.5</b>   |
| Family Medicine                        | FM 701, 702          | 16             |
| Emergency Medicine                     | EM 701               | 8              |
| Internal Medicine                      | IM 701, 702          | 16             |
| Pediatrics-Neonate                     | PED 701, 702         | 16             |
| Surgery                                | SURG 701, 702        | 16             |
| Osteopathic Principles & Practice      | OPP 701              | 8              |
| Women's Health                         | OBGYN 701            | 8              |
| Behavioral Medicine                    | BEHSC 701            | 8              |
| Clinical Medical/Surgical Subspecialty |                      | 8              |

|   |  |            |
|---|--|------------|
| Clinical Medical/Surgical Subspecialty  |  | 8          |
| Medical Elective                        |  | 8          |
| Surgery Elective                        |  | 8          |
| Electives                               |  | 40         |
| <b>Total 3rd &amp; 4th year credits</b> |  | <b>168</b> |
| <b>Total Degree Credits</b>             |  | <b>380</b> |
